

2 Read and check your ideas.

Megan lives on a farm in Wales. Her mum is a farmer. What time does she get up? She gets up at five o'clock in the morning! There are cows on the farm. Megan's mum feeds the calf at half past five. It doesn't eat grass. It drinks milk.

Megan feeds the chickens at six o'clock in the morning. They eat seeds. Then she collects eggs. She gets dressed in her school clothes at seven o'clock. She has an egg for breakfast at quarter past seven. Then she goes to school at eight o'clock.

3 Read again. Match and say the sentences.

- | | |
|-----------------------------|------------------------------|
| 1 Megan and her mum are ... | a eat grass. |
