

# BINGO PHONICS

**Names: Rosa Cortés / M<sup>a</sup> Pilar Aguilera Fernández**

## OBJECTIVES

- To make students aware of the different sounds.
- To work on sound-letter identification.
- To work on the listening skills.

## CONTENTS

- The sounds of the letters.

## ACTIVITIES

First, the teacher organises the class in pairs. Every pair gets a card bingo to play. Every bingo card has CVC words. Next, the teacher reads the sounds one by one. The students can get bingo when they have three sounds making a word. The teacher will use a video to reinforce the sounds. For example,

<https://www.youtube.com/watch?v=QsmUXOzQGjU>

## TIMING

The activity will last around 20 minutes.

## ASSESSMENT

The teacher assess the students' comprehension of the sounds. Every time a student gets bingo the pair has reproduce the sounds of the words properly.

## AGE

Early stages of Primary Education
