

Digital Project Rubric

Group's Name _____

Project _____

	A (10 Points)	B (7 Points)	C (4 Points)	U (unacceptable 1 Point)
Did the project answer all the questions?				
Planning	Have we used planning time and materials to create a draft or drafts of final product?	Have we used planning time to make a draft? We may not have used planning materials correctly to benefit their final product.	We have used planning time to make a draft; however, we did whatever we wanted and did not use the planning materials.	We did not use planning time, and/or did not have any planning.
Time and Effort	Class time was used wisely. Our Project shows lots of detail and it is clear we put effort in doing it.	Class time was mostly used wisely. Our Project shows detail and we put effort in doing it.	Class time was not always used wisely. The amount of detail in our project shows little effort. Work was incomplete, or had visible mistakes.	Class time was not used wisely. Our Project shows little effort. Our project is incomplete or we did not turned in.
Creative Thinking	We have thought outside of the box to come up with a unique idea, and we were able to realize this idea within our final project.	We came up with an interesting idea and we were able to use that idea in our final project piece.	Our idea was predictable or copied from another group	Our idea was copied from other team, or there is no clear concept within any of the project.
Relationship of the concepts and contents in the development of the final product	We have organized the contents in a logical order, allowing the viewers to follow and understand the contents	We have organized the contents with some logical order, allowing somehow viewers to understand the contents	We have little order in the organization of the contents, not allowing viewers a clear understanding of the contents	We did not have any clear organization of the contents, so viewers were not able to understand the contents

Final Grade _____/50
