

# Yo es que soy así

(Los personajes arquetípicos, o sea, yo).

3º ESO

Modesto Calderón Reina

The background is a complex, low-poly geometric pattern composed of numerous triangles in various shades of teal, green, and blue. The colors transition from a lighter, almost white-green at the top to a darker, deep blue-green at the bottom. The overall effect is a textured, crystalline surface.

**¿Qué es un  
arquetipo?**

The background features a complex geometric design. It consists of several overlapping shapes in shades of blue and white. A prominent feature is a series of parallel lines that create a sense of depth and perspective, resembling a stylized 'V' or a series of planes. The lines are white and set against a blue background, creating a high-contrast, modern aesthetic.

**¿Qué significa  
“identificarse”?**

A row of wooden figures, with one red figure standing out in the center. The figures are arranged in a line, receding into the background. The red figure is the only one of its color, making it stand out from the rest of the group.
