READING

1 **Read, look and match.**
Martha: Are you ready for your first question? Here it is: It's made of ice. It moves very slowly. What is it?
Jasmina: It's a (1) ___h___.

Martha: Correct. There isn't much water in this place. It's very dry. There aren't many plants or animals. What is it?

Jasmina: It's a (2) _____.

macmillan
education

Martha:	That's the right answer. It's a lot of mountains which are close together.
Jasmina:	It's a (3) _____.
Martha:	Good. It's a dangerous mountain. Sometimes, it erupts and very hot rock comes out. What is it?
Jasmina:	It's a (4) _____.
Martha:	Great! Last question: It's a small area of land in the middle of a river, a lake or a sea. What is it?
Jasmina:	It's an (5) _____. Yay! I got them all right. OK, it's your turn. What do you call the place between two mountains?
Martha:	It's a (6) _____.
Jasmina:	Good answer. What do you call the big hole in rock in a mountain, under the ground or even under the sea?
Martha:	A big hole? Oh, do bears live here?
Jasmina:	Yes!
Martha:	It a (7) _____.
Jasmina:	Yes! Next question: It's like a very tall wall made of rock. It's usually by the sea. What is it?
Martha:	It's a (8) _____.
Jasmina:	Correct. It's a place where a river falls off a mountain or a cliff. What is it?
Martha:	It's a (9) _____.
Jasmina:	Fantastic! Last question: It is a very big place where there are lots of trees, plants and animals. What is it?
Martha:	It's a (10) _____.
Jasmina:	Really good! We both got them all right!
