**The first special thing I have learned from this course is PADLET because it can help me organize my resources and plan my classes accordingly.**

**The second special thing I have taken away from this course is KAHOOT! because it enables students to learn and revise concepts in a fun and interactive way.**

## Writing activity: Storyboard template

In groups students produce a storyboard using superlatives. That fosters creativity and teamwork

## Listening activity: Song to practice superlatives

### Tina Turner - Simply the Best (Original Version)

I call you, when I need you my hearts on fire  
You come to me, come to me, wild and wild  
You come to me, give me everything I need  
Give me a lifetime of promises and a world of dreams  
Speak the language of love like you know what it means  
And it can't be wrong, take my heart and make it strong, baby  
Chorus:  
You're simply the best, better than all the rest, better than anyone, anyone I've ever met!

## Worksheet for the song: simply the best, by Tina Turner

**Simply The Best by Tina Turner**

I hang on every word you say  
Better than anyone, anyone I've ever met  
Ooh, you're the best!

The following paragraphs from the lyrics are not organized.  
Write the corresponding number from 1 to 6 for each paragraph inside the box in the order that you listen to.

You're simply the best, better than all the rest  
Better than anyone, anyone I've ever met  
I'm stuck on your heart, I hang on every word you say  
Tear us apart no, no, baby, I would rather be dead

In your heart I see the star of every night and every day  
In your eyes I get lost, I get washed away  
Just as long as I'm here in your arms  
I could be in no better place

Each time you leave me I start losing control  
You're walking away with my heart and my soul  
I can feel you even when I'm alone  
Oh baby, don't let go

Ooh you're the best (woo)  
Better than all the rest  
Better than anyone, anyone I've ever met  
Ooh, I'm stuck on your heart.

I call you when I need you, my heart's on fire  
You come to me, come to me wild and wired  
Mmm, you come to me  
Give me a lifetime of promises and a world of dreams  
Speak a language of love like you know what it means  
Mmm, it can't be wrong  
Take my heart and make it strong, baby

You're simply the best, better than all the rest  
Better than anyone, anyone I've ever met  
I'm stuck on your heart, I hang on every word you say  
Tear us apart no, no, baby, I would rather be dead
