

# Debrief (Digital Final Project) and Revision Activities

## 1 Revision Activities

✍ Go to our Virtual Classroom and complete Revision Activities.

## 2 Debrief (plenary session)

✍ Questions about the whole thing.  $\frac{1}{2}$  a session

- What part did you like the most in this project?
- What do you think is the most challenging part?
- Can you think of the benefits of selecting materials for a particular use?

## 3 Padlet

✍ The whole project is published here: [http://padlet.com/tech\\_tpr/madrid2017](http://padlet.com/tech_tpr/madrid2017)
