

**3** Read and listen. **43** Find these verbs in the story. Say the present tense of the verbs.

had found wrote went saw ran

**1** The children went to the library. They wanted to crack the code to find Mrs Rose. Gaia waited outside with Scamp.

**2** The children looked at the book. Annabel cracked the code in five minutes. She didn't see the Professor.

**3** Annabel used the code and wrote the message word by word.

**4** Matt found some information in an encyclopedia. 'Ruby' was a valuable jewel. The robber planned to steal it!

**5** Joey phoned the police. The robber planned to steal the ruby at four o'clock! The children ran to the bank.

**6** Annabel saw a pair of broken glasses. They were exactly the same as the Professor's glasses!

**7** The police asked Joey to draw a picture of Professor Higgins. Then they asked the security guard lots of questions.

**8** The children had some questions. The robber's code was in Mrs Rose's garden. Did Mrs Rose know the robber? Where was she?
