

Geoffrey Chaucer's *The Canterbury Tales*

You will watch some videos (<https://www.coursehero.com/lit/The-Canterbury-Tales/>) about the pilgrims from the Canterbury Tales, as well as read a section from the "General Prologue". Complete this chart with the adequate information. Make sure you answer the following questions:

- **ESTATE:** In which estate does each pilgrim belong? (clergy, nobles, or commoners/peasants)
- **PILGRIM'S PHYSICAL APPEARANCE:** What does each pilgrim look like? What is he/she wearing?
- **CHAUCER'S CHARACTERIZATION:** How does Chaucer characterise each pilgrim? Which type of person is this pilgrim? Include two details to support this characterisation.
- **CHAUCER'S ATTITUDE:** What is Chaucer's attitude toward each pilgrim? Remember Chaucer's use of irony! (i.e. what he says is not always what he means)
